

AIRWAY MANAGEMENT

SunMed LATEX FREE ROBERTAZZI AIRWAY

LATEX FREE | STERILE | SINGLE USE | DISPOSABLE

The latex free Robertazzi Nasopharyngeal Airway performs like latex. The soft neoprene is flexible, yet maintains its shape. The unique packaging features extra large size notation for immediate visual reference and accurate airway selection. Available in nine sizes to accommodate a variety of airway types.

LATEX FREE ROBERTAZZI AIRWAY

- Flexible neoprene performs like latex airways
- Soft material prevents damage to nasal passage
- Blunt tip
- Resists collapse or kinking
- Sets are ideal for crash carts

Extra large size denoted on airway packaging for quick visual reference and accurate size selection
